

BAYSIDE BRONCOS Photographer Expectations

Photographers, players, coaches and parents need to be able to work together in order to form a fun, cohesive and well-organized Pop Warner experience. Everyone involved must have a clear understanding of what is expected from them, as well as what they can expect from others. Bayside Broncos have the following expectations of the photographers that participate in our Pop Warner Football program.

EXPECTATIONS:

Photographers should arrive to games on time.

Photographers should never argue with or complain about the referee calls or decisions.

Photographers should not talk when the coach is speaking.

Photographers should realize that all communication between the coaches and their players is confidential.

Photographers should show respect to coaches, referees, players and opposing teams.

Photographers should be fair with all the players, regardless of their abilities.

Photographers should remember that Pop Warner Football is “for the kids”.
