Type of Broncos Scholarship Requested: 25% 50% 75% 100%

Please List Areas of Volunteer Hours Where You Will Participate _____

Check this box if you would like to write additional information on the back of this form.

PARENT'S SIGNATURE _____ DATE _____

Bayside Broncos Financial Aid is not guaranteed and will be given based on available budget and the best judgment and discretion of the Bayside Broncos Board of Directors and its Financial Aid Committee. Your confidential information will be sealed in an envelope and only opened if there is available budget. You will be notified as soon as your Broncos Financial Aid eligibility is determined.

Our goal is to provide any child that wants to play the chance to play, regardless of ability to pay. At the same time, we must recognize our fiduciary responsibility to the organization, balancing our philanthropy of providing financial aid to individual families and maintaining the best interests of the collective whole of the Bayside Broncos organization.

Our Financial Aid practice is based on two objectives: To make it a simple process and to take people at their word that they need assistance. The Bayside Broncos will make every effort to grant each request for financial aid, at least at some level up to 100% or the registration fee. The decision will be based primarily on ability of the organization to subsidize the applicants' registration fees in the year of the application, plus any other factors the Board deems relevant, if any. The Board reserves the right to grant or deny any applicant.

It is our policy to collect a check for the full registration amount at the time of registration. This will hold the player's spot on the roster. This check will not be processed (deposited) until a financial aid decision is rendered by the Board and the parent is notified. The check will be returned or destroyed if full financial aid is granted; and the check will be deposited if and only if financial aid is not granted, and only then with permission of the parent. If the financial aid award is a partial registration, we will refund the difference.

All Financial Aid Applications will be held until the end of the registration period in the spring. The Financial Aid Committee will determine and recommend to the Board the eligibility and distribution of the financial aid among the applicants, based on the number of applicants, the availability of funding for financial aid, and any other factors as deemed relevant by the Board at the time. Distribution is based on the discretion of the Board and its Financial Aid Committee. Applicants will be notified in late spring/early summer.
